Foreword

A high school is not only made of books and a building but also of the people who use them. The varied groups of people make the high school as changeable as an individual.

If this book has a theme, then it is Patterns and Figures, for this has been the underlying idea behind the page layout, the division pages, and the photography.

We, the staff of the COMET, present to you the story of the people who made Bellevue High School in 1962.

The Year

Patterns and Figures in changing seasons made up this school year at Bellevue High School . . . a wooden fence . . . the coming spring , , , a hazy sky . . . a couple reflecting on the passing year.

Fall

As students returned to school Sept. 5, they were greeted by many familiar faces and also many unfamiliar ones including the seven new faculty members.

Our football team brought great honor to our Alma Mater by completing the season undefeated.

A pep assembly preceding each game boosted greatly the spirits of the team and the fans. The marching band, in their new uniforms, added color to the scene at Harmon Field.

Another important event was the taking of student pictures.

1961 - A Great Homecoming!

A record crowd jammed the bleachers at Harmon Field Oct. 21 for the Homecoming game between Shelby and Bellevue.

Arriving first at the pre-game ceremonies were the three smiling underclassman attendants: Carol Zimmerman, freshman; Vicki Good, sophomore; and Betty Manlet, junior. They were quickly claimed by Mark Hoffman, Randy Nelson and Rodney Gale. Next came Linda Haas and Tonya Shinabery, senior attendants; who were escorted by Randy Grubb and Greg Callaghan.

At last! A fanfare was played by the Bellevue High Marching Band, and her majesty Queen Carolyn Siesel came on to the field. Our 1962 queen was escorted by Jim Walker. The car preceding the queen's held Lorreta Willis, flower girl; and Douglas Liston, crown bearer. Carolyn was crowned and presented with the traditional kiss and bouquet by Ed Peacock, President of Student Council.

After the ceremonies and a royal cheer led by the cheerleaders, the court retired to the sidelines to watch the Redmen gain another victory. Later the queen and her attendants arrayed in shimmering formals, presided at a Homecoming Dance held in their honor. The first dance of the evening was reserved for the court. Carolyn and Gary Miller, football captain, began the dancing and were later joined by the attendants and their escorts.

NOL Triumph Brings Honors

Football season ended with great rejoicing as the Redmen piled up nine straight wins and won the NOL championship. A post game pep rally after the Bucyrus game commenced celebration which was still in mind when the first annual football awards banquet was held. Many minor banquets honoring the football team also helped to celebrate the best season in BHS history.

Coach Lowell Shaffer presents awards at the special football assembly held Monday after the Bucyrus victory as Tom Lopeman and Tim Leininger await their awards.

Coach Shaffer; Mr. Paul Callaghan, president of the Bellevue Chamber of Commerce; Bellevue Mayor Leon Yearick; Captain Gary Miller; and Mr. Mike Tonovitz, president of the Booster Club gathered at the post game pep rally honoring Bellevue's undefeated Redmen.

Senior members of the Redmen display the key to the city given to them by Mayor Yearick. They are Jim Fleming, Tim Leininger, Bob Smith, Gary Miller, Roger Paul, Paul Strecker, Don Vogus, Dan Hutchins, Tom Close, Mike Miller, Barry Hart, and Gene Woodruff.

Members of the undefeated Redmen are pictured on the NOL trophy which was presented to the school by Principal Robert Regula, secretary of the NOL at the football assembly.

Interested fans look on anxiously at the post-game pep rally. The phrase "Bellevue Beat Bucyrus" is a little out of place since the Redmen routed Bucyrus 84-6.

Joe Bellino, main speaker at the football banquet, signs autographs. Also at the speakers table are Jim Little, sportswriter for the Toledo Blade, and Fred Edwards, Bellevue Gazette sports writer.

Meet Me in St. Louis Featured as Senior

Miss Mary Leininger, Pam Houle, Mary Lou Ball, and Linda Isner, director and student directors, examine properties for the senior class play.

"Meet Me In St. Louis," a comedy in three acts, was presented on November 9 and 10. Miss Mary Leininger was director of the play with Mary Lou Ball, Linda Isner, and Pam Houle assisting as student directors and Cindy Smith and Kathy Downing serving as co-ordinators. Prompters were Anita Burras, Jane Loparo and Ruth Ruess. Committee chairmen were: stage, Don Pierce; costumes, Liz Fenn; make-up, Alice McKenzie; tickets, Doug Deal; and ushering, Joan Briehl.

The setting of the play was the Smith home in St. Louis. The time, 1904, and the theme of the World's Fair was carried out by the clever acting of the cast and the authentic-looking costumes.

In addition to an overture by the orchestra, the audience enjoyed, between acts, a special group of students who gave a rendition of a German band.

The cast of the Senior Play included ROW THREE – Car Conductor, D. Deal; Lon Smith, C. Bechstein; Mr. Dodge, G. Linn; Mr. Smith, M. Ruffing; Katie, J. Strommer; Mrs. Waughop, M. Foos; Grandpa Prophater, J. Walker; Lucille Pentard, L. Ayers; Mr. Duffy, M. Stahl, and Ida Boothby, C. Siesel. ROW TWO – Fred Gregory, J. Meyers; Esther Smith, M. Keller; Mrs. Smith, C. Calhoun; Rose Smith, M. Laub, and John Shephard, F. Ruffing. ROW ONE – Tootie Smith, K. Dillon, and Agnes Smith, J. Lipps.

Winter

Christmas choral and orchestra concert provided entertainment for local audience. Each organization performed alone and at the end combined for a mass number.

Icy winds and freezing temperatures may discourage some, but for BHS students winter provided the setting for a host of activities. Many worked hard as members of a performing group for the Christmas Concert and the Christmas Play; others as members of the basketball squads to bring praise and honors to the school. The Y-Teens entertained with "Christmas in Heaven" on December 8. All students crammed for semester exams and the Every Pupil Tests. Competition was keen for the nineteenth annual spelldown held in March. All was not work, however, as BHS students enjoyed ice skating, post-basketball game dances, school assemblies and class parties.

Speech Students Introduce Christmas Season with Play

The speech classes under the direction of Miss Esther Schachtele, presented a one-act play, Dec. 15 at the annual Christmas assembly titled "I'll Be Glad When It's Over." The story was of a mother who lost the real meaning of Christmas in the hectic pace of last minute shopping.

When her family left to view the Yuletide decorations, Mrs. Martin while asleep, dreamed she was witness to the birth of the Christ Child. On awakening she found her Christmas spirit revived and found new love for her family.

Also featured in the assembly was the Freshman Girls' Ensemble, the Lamplighters. This group, directed by Mr. James Gribble, presented a number of popular Christmas songs.

Students Enjoy "Christmas in Heaven"

"Christmas in Heaven," this year's Christmas Formal, was sponsored by the Y-Teens Club. Bus Widmer's Orchestra provided the enjoyable music to which the couples danced.

During intermission, Kay Dillon, Mistress of Ceremonies, introduced a pantomine of the book *The Littlest Angel*. Ricky Nelson portrayed the mischievous little angel in the story narrated by Judy Strommer.

Highlighting the evening was the crowning of this year's King and Queen of Good-Will. Randy Grubb, president of the Hi-Y, crowned Queen Pam Houle, and Jean Garman, president of the Y-Teens crowned King Randy Grubb.

First Semester Ends

The January change of semesters marked the advent of many student activities. The goal of everyone was the completion of semester exams. Academic achievement was prominent when Senior Judy Strommer successfully defended her Spelldown crown. Runner-up in this contest was Senior Randy Grubb followed by Senior Judie Lipps and Sophomore Sherrie Bilger. In February the Junior High choirs, band and orchestra hosted at the Annual Junior High Music Festival. Varied assembly programs included Salom Risk, the "Syrian Yankee", and the magazine campaign program. As in the past BHS students worked hard to lend support to the Dial. Every class was entertained with their class parties which featured a wide variety of amusements.

Spring

As the seasons turned, life continued surging onward at BHS. With the completion of the preliminary district tests, the scholarship team was announced for competition at Tiffin in May. Spring sports were begun as athletes strived for excellence. Various programs honored outstanding students. BHS was proud to claim All-American Jerry Lucas as the guest speaker at the Athletic Banquet. Orchestra, band and choir concerts brought acclaim to these musical groups. A highly competitive vocabulary down thrilled spectators. Highlights of the assembly schedule were the Hummel-Goll program, the story of two young Austrian globe-trotters, and the annual senior assembly. Lighter moments were provided at the Junior Class Play and the Junior-Senior Prom. Throughout this whirlwind of activities seniors patiently awaited for the grand climax of Baccalaureate and Commencement.

Jrs. Present Comedy, "Strange Boarders"

"Strange Boarders" roamed Bellevue High School on the night of April 6, when the junior class presented their class play of the same name. It was the tale of petty crooks who used the boarding house of Miss Cordelia Tuttle as a hideout. None of the innocent people of Cordelia's environment were aware of the gangster's profession, but when enlightened, they became quite concerned and set about to capture them.

Directed by Mr. Paul Sakcett, the play starred Marion Seltzer as Cordelia.

In the NOL Track Meet May 15, Bellevue placed fourth in a field of eight having received 27 points. The team claimed two first places, four third places, and two fourth places.

Many students were honored at the Annual Recognition Day ceremony May 18. This program was under the toastmastership of Mr. Joe Ayers.

Highest honors for the day were the Danforth Award, the Best Thespian Award, and the FTA Award. Recognition was also given to GAA Medalists, students earning the State Board of Basic Studies awards and other extra curricular participants.

The scholarship team was announced and presented certificates of merit. Certificates were also given to star salesmen in the magazine campaign.

Seniors Say Farewell With Assembly

The student body, taken ahead to the year 2001, relived with the senior class of 1962 the unforgettable days spent at Bellevue High School. The script was much in the style of Thornton Wilder's "Our Town."

Mitch Stahl, playing Mr. Dewayne Burke, acted as the announcer. Among the many skits were highlights from the class of '62's Jr. and Sr. plays. These were titled "Scenes We Would Like to See." A football huddle, representing Norwalk during her defeat by Bellevue, showed why Bellevue romped to victory over all their opponents.

The constant struggle between two of the senior homerooms, 210 and 107, resulted in a High School Quiz Bowl. At half-time, captains of the two teams gave the outstanding accomplishments of members of their respective homerooms. The contest ended in a draw with final superiority decided on the basis of final averages.

One of the highlights of the program was the appearance of that famed group—the Bulb-Busters, a singing group who presented their best number, "Falling in Love With Love."

The Triple Trio sang three selections and the program was concluded with the singing of the class song.

Graduation Completes Shool Year

Annual Baccalaureate and Commencement addresses were presented by Dr. Carl Umhau Wolf, minister of the St. Paul's Lutheran Church, Toledo, and Dr. Lionel Crocker of Denison University, respectively, May 27 and May 31, as seniors received their diplomas in the high school auditorium.

Baccalaureate service began with Elgar's "Pomp and Circumstance" by the high school orchestra, followed by the Invocation, given by the Rev. Ralph Chapman of the United Church of Christ. "Prayer of Thanksgiving" was sung by the senior class. Following Dr. Wolf's address, "Superstitions in Education," the Mixed Choir sang "Give Me Your Tired, Your Poor," by Ringwald.

The Rev. Frank Lowenbergh, also of the United Church of Christ, offered a Benediction. After the Choral Benediction, the orchestra played "Recessional March," by Woodhouse, as the seniors filed out of the auditorium.

"Passport to Citizenship" was presented by Dr. Crocker at the Commencement exercises. Other highlights of this program were the conferring of diplomas, the presentation of the top ten scholars, and the awarding of scholarships. The opening overture was "March from Athalia", played by the orchestra. "I'll Walk with God" was sung by the Senior Triple Trio preceding Dr. Crocker's address.

GOOD-BYE

(To the tune of "Moon River")

We're leaving, leaving Bellevue High,
We hate to say good-bye, but then . . .
We're now ready — our lives are before us—
Oh, God, give us strength so that we will succeed.
Let's go now; we want to see the world—
We'll seek to conquer goals unknown.
The mem'ries we have will remain . . .
How can we forget . . .
The things we've done, and yet
We must say "Good-bye".

Council Leads School

Student Council, led by President Edward Peacock, is composed of one representative and one alternate from each home room and one representative each from the 7th and 8th grades. This legislative body discusses any problems that confront the students and tries to solve them in a manner agreeable to the school.

Some of the activities sponsored by the group this year were The St. Patrick's Dance, "Leprechaun Lounge;" homecoming festivities; the numerous dress-up days; and sending four students to the Driver's Education Conference at Bowling Green State University.

Dial Informs BHS Students

The DIAL is published monthly and distributed to all pupils. Written entirely by its own reporters, the paper covers all school news and events which concern the students. It is financed by dances, concession stands, and the annual magazine campaign.

The DIAL highlight of the year was an "extra" published by the sports editors. This six page spread featured our undefeated football team.

The DIAL staff maintains contacts with the National Scholastic Press Association and the Northwestern Ohio District Journalism Association. It has consistently received high honors in competition with other school papers.

Choirs Present Concerts

On Sunday, Dec. 10, 1961, the Mixed Choir presented "A Christmas Concert". Christmas music was recorded for WLEC radio station in Sandusky for their annual "Christmas Sing" featuring area choirs. Feb. 10 the choir presented numbers for the "Mid-Winter Music Festival".

The vocal music program was held April 11. The NOL Choir Festival at Galion was two days later with Upper Sandusky, Willard, Galion and Bellevue participating. The choir presented an Easter assembly April 19.

This year the Freshman Choir and Sophomore Girls' Choir participated in quite a few programs. In addition to performing in the Christmas Concert, Mid-Winter Musical Festival, Vocal Music Concert and the high school Easter Assembly, the group also combined with the Mixed Choir to sing many selected numbers.

On Feb. 21, the Junior High Music Festival was presented by the seventh and eighth grades. Again on April 11 these groups showed their progress in the Vocal Music Program.

Senior Triple Trio performed for the Senior Day Assembly and the Commencement Exercises.

The Lamplighters, a special group of freshmen girls, highlighted many programs singing individual selections.

Band Dons New Uniforms

The BHS Band of 1962 boasted the largest participation ever found in Bellevue with a membership of 110. Of these, the majority were underclassmen.

As usual, the band performed halftime shows at the football games. They made their first appearance in new uniforms Sept. 15 at the Clyde-Bellevue game. The drive for these uniforms was backed by the local Kiwanis Club.

Basketball season began with the pep band and majorettes providing halftime entertainment. The Christmas concert, Dec. 10, was the first of a series of concerts given by the symphony band. These included an All-City Band Concert, a high school music festival, the NOL band concert at Willard, and many others.

March was the month for contests. The solo and ensemble contest at Fremont and the band contest at Clyde brought honors to the band.

May 1, the Band Recognition Dinner was held with guest speaker William Moffit, assistant director of Michigan State University.

Orchestra Provides Music

Composed of forty-two members, the BHS orchestra participated in various concerts and programs for the 1961-62 year. Under the direction of Miss Louella Wolford, this musical group played for both class plays, the NHS assembly, Baccalaureate and Commencement. In March, the orchestra attended and participated in the NOL festival at York school. Throughout the year, various members played in the community orchestra and formed ensembles.

Heading the formal concert schedule was the Dec. 10 program in which the orchestra and choirs combined to present Christmas music. "A Festival of Music", on Feb. 10, found the vocal and instrumental music departments again combined in a single program. Orchestra completed its concert season in the "Spring Concert", the all-city festival.

Looking forward to participating in the high school orchestra were the forty-one members of the Junior High Orchestra. Also directed by Miss Wolford, this group performed in the Junior High Music Festival and the all-city festival. In addition, the Junior High strings aided the High School strings in the Christmas program.

Miss Wolford directs, students perform, and crowd watches at the "A Festival of Music" combined concert.

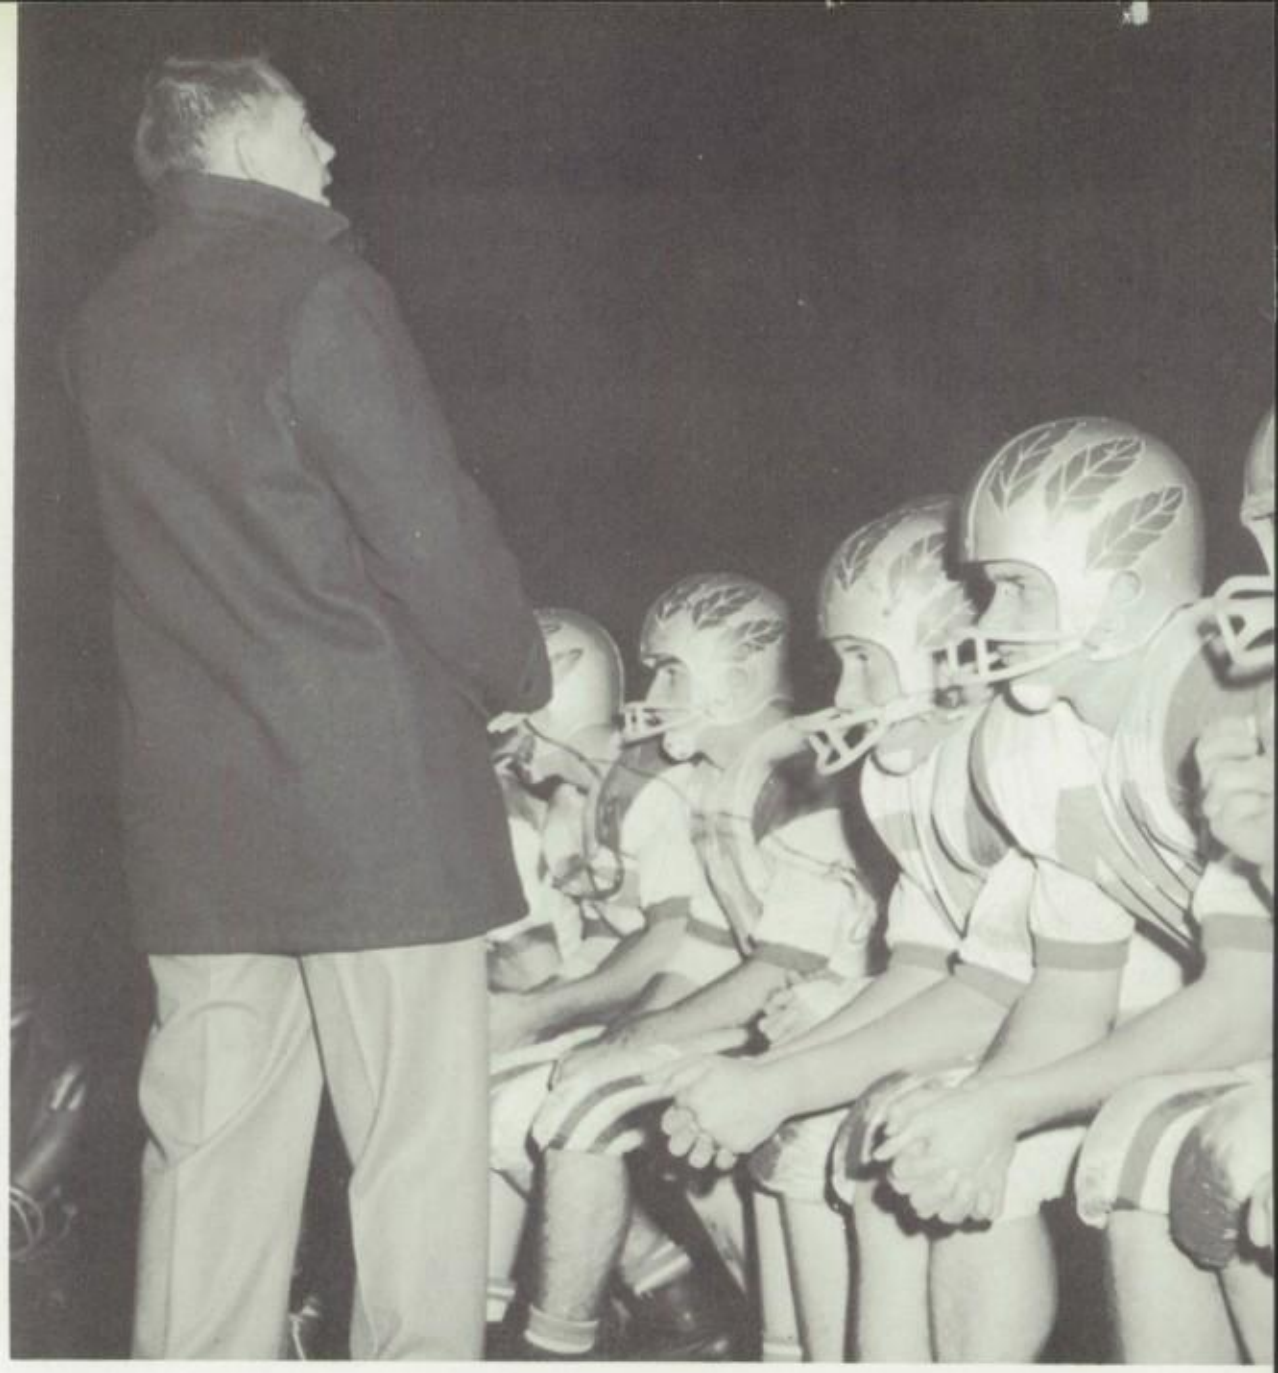
Football

Bellevue High Schools fine Redmen finished the best season in the history of the school with a tremendous 84-6 victory over Bucyrus. The team chalked up an N. O. L. Championship, and the first undefeated season since 1914 as they posted a 9-0 record.

The Redmen's rugged defense held the opponents to 32 points, while the powerful and speedy offense racked up a total of 408 points. Leading the hard charging line attack was Captain "Red" Miller with the help of Joe Siesel, Mike Miller, Dan Hutchins, Tom Lopeman, Paul Strecker, Roger Paul, and Tim Leininger. Tim also did the kicking off and punting. Linebackers Don Vogus, Barry Hart, Wayne Warden, and Ted Rhudy also turned in fine performances.

The results of the Redmen's fine season can be credited to the team's hard work, spirit, their desire to work together, support from the cheerleaders and fans, and fine coaching.



Redman bench watches the progress of the game as Coach Shaffer momentarily swings away from the action. Bob Smith, Don Thomas, Gene Woodruff, Tom Mowery, and Jack DeLuca were among squad members who added that needed support and depth to a winning squad. The minor 'stars' on the squad scored nearly half the 408 points during the season. Top scorers were McClain with 100 points, Warden with 64, Culler with 42, and Rhudy with 32, and tallies by Close, Woodruff, and Hart.

Encouragement from the Junior High cheerleaders and fans contributed to an exciting season for the team.

Basketball

This year's varsity basketball team had a difficult time attempting to equal the record of the championship football team. The season began victoriously as the Alumni and Shelby were downed by the Redmen. In the three successive games the varsity was defeated. These defeats marked the beginning of seasonal ups and downs for the team.

Two highlights of the season were the Willard and Norwalk games. Both games ended in defeat for the Redmen but were hard fought contests. Willard's game ended in overtime with Bellevue's final score only four points less than Willard's. In the Norwalk game the Redmen, holding the Truckers scoreless in the first half, won a moral victory even though defeated 23-15.

Steve Doster was high point man for the season scoring 270 points. He was followed by Leininger, 171; McClain, 162; and Co-Captains Miller and Barnett with 152 and 150 respectively.

Managers for the basketball teams were Allan Anthony, Ted Rhudy, and Jack Chapman.

Fifteen freshmen gained much experience for Bellevue's future varsity basketball team as they finished their schedule with a 6-4 regular season record. In tournament play the frosh defeated Port Clinton and Fremont St. Joe before bowing to Sandusky in the finals.

The 1961-62 basketball season proved to be a rough one for the eighth grade team. First game of the season was played against Norwalk. The local boys were defeated 26-15. High point men for this game were Craig McLaughlin and John Degler, each scoring four points. Bellevue was defeated in the next three games. In the fifth game the boys fought hard to top Fremont, 19-18. The next three games were defeats for the quintet, but they bounced back in the following game and defeated Norwalk 26-16. In the last game of the season the eighth graders were crushed by Sandusky. John Degler was the high point man for the season.

Seventh grade team showed much promise. The local five ended the season with a record of four wins and six losses. High point man for the season was Hollis Haff.

Track Team Completes Season

The BHS trackmen had their ups and downs this past year, but as they came up with a few surprises, they were able to post a four and three mark for the season. Many of the meets were held under poor weather conditions and thus no spectacular times were turned in.

Among the ups: Tom Close and Gary Miller set school records in low hurdles and shot put, respectively; a second place was garnered in the Upper Relays; and solid substitution was necessitated by injuries cropping up.

Among the downs: injuries included an ailing Jeff May, the strong miler from last year; Craig Kronewitter, side - lined midway through the season by a fractured clavical; and all-around performer Marc McClain, downed by an appendectomy. Not to be forgotten was the usual fracas with rival Clyde.

Tom Close and Don Pierce shake hands with Shelby tracksters after completion of the low hurdles event.

Track Coaches Bob Blomeke and Lee Huffman clock practice runs at Greenwood Heights.

Tennis Team Plays Spring Schedule

Bellevue High School's tennis team completed their regular schedule with seven wins, one tie, and one loss. In the CC-NOL Tournament held at Mansfield, the team finished second in a field of six teams, three from the Cardinal Conference and three from the Northern Ohio League. Wooster won the tournament by defeating Bellevue 15-14.

In the annual sectional tournament held at Sandusky, Bellevue's two singles teams and two doubles teams all advanced to the quarterly finals, but were eliminated in the next round.

Two four year veterans, Randy Grubb and Greg Callaghan, returning letterman, Roger Dennis, and Rodney Gale and Allan Anthony were the nucleus of the squad. The team was coached by Paul Sackett.

Pepsters

The Pep Club is a school organization open to all high school students. Its purpose is to support the cheerleaders and the teams. Officers elected this year were: president, Mary Lou Ball; vice-president, Sue Raish; secretary, Sue Boehler; and treasurer, Joan Heal. An important activity this year was the making and distributing of posters before basketball games. Advisers of the Pep Club are Mrs. Genevieve Pendleton and Mr. Lee Huffman.

Also supporting school spirit is the Pep Band under the direction of Mr. Robert Leckrone. Members selected from the high school band play during pep assemblies, basketball games, and half-time shows.

Practicing in their new football outfits are varsity cheer-leaders Diane Hunter, Vicki Hillman, Beth Close, Pat Mc Carthy and Bobbi Stevens.

Cheerleaders Lead Yells

The 1961-62 varsity cheerleaders Barb Stevens, Mary Beth Close, Pat McCarthy, Dianne Hunter, and Vicki Hillman chose school colors, red and white, for their uniforms this year. Football outfits consisted of red slacks and jackets and white sweaters. Uniforms for basketball were white wool dresses with red trim.

With the closing of basketball season two senior varsity cheerleaders will have completed their last year as a member of the squad. Barb Stevens, head-cheerleader, served one year as a reserve cheerleader and two years as a varsity cheerleader. Mary Beth Close served on the varsity squad for one year.

Reserve cheerleaders wore red dresses identical to the varsity outfits. The members of this squad are Pat Miano, Vicki Good, and Ginger Coe.

The newly elected varsity cheerleaders for next year are Head-cheerleader Pat McCarthy, Vicki Hillman, Gail Lepley, Pat Miano, and Vicki Good.

NHS Elects New Members, Honors Old

Membership in National Honor Society is determined by the measurement of a student's character, scholarship, leadership, and service. In addition, senior members must rank in the upper third of their class. Junior members must have maintained a scholastic average of at least 90 per cent for their first two and one-half years of high school.

At the April induction for this year ten seniors and eight juniors were taken into membership of the Alfred Ross Chapter of the National Honor Society. Delivering the initiation address was the Reverend Lawrence Bryan. The ceremony was conducted by the five senior initiates of last year.

Journalists Become Quill & Scroll Members

One of the highlights of Quill & Scroll's year was when members attended the Northwest Ohio District Journalism Association convention held at Bowling Green State University where Quill & Scroll executive secretary, Lester Benz, gave the main address. Mr. Richard Lieb, adviser of the Bellevue Chapter, presided at the convention.

A beach party was held at the conclusion of the school year, at which the initiation ceremony took place. Last year's initiates, Randy Grubb, Linda Haas, Judy Lipps, Carolyn Siesel, and Judy Strommer, were in charge of the ceremonies.

Those initiated this year were seniors: Greg Callaghan, Suzi Detlefsen, Kay Dillon, Kathy Downing, Jean Garman, Cindy Smith, and Bobbi Stevens. Juniors initiated were: Carol Allan, Kathy Fisher, Karen Greulich, and Sue Raish.

To be taken into this international honor society for high school journalists, a student must be in the upper third of his class and must be at least a junior or senior in high school. He must have done superior work in editing, writing, or business management.

Dramatic Students Honored

The National Thespian Society has initiated deserving juniors and seniors at Bellevue High School since 1930. Students are eligible depending on the number of lines they have or the backstage jobs they undertake.

This year the seniors of Troup 173 at BHS honored Judy Strommer with the title "Best Thespian."

Initiated at the fall initiation were Mary Esther Keller, Marji Laub, Gary Linn, Charles Bechstein, Jim Walker, Judy Lipps, and Randy Grubb. At the spring initiation officers Mitch Stahl, president; Kay Dillon, vice-president; John Meyers, treasurer; and Judy Strommer, secretary, conducted ceremonies at which Jacquie Tom, Marion Seltzer, Roger Zimmerman, Wayne Warden, Tom Lashuay, Jim Strecker, Betty Manlet, and Miriam Rowland were inducted into this honorary society.

FTA Members Look Forward to Teaching

Future Teachers of America, led by President Suzi Detlefsen, is an organized group devoted to learning more about the teaching profession. This year FTA members were treated to many varied programs, planned by Vice-President Linda Haas who served as program chairman.

Again, as in previous years, Senior members got their chance to teach and underclassmen were allowed to observe in classes of their choice. Mrs. Miller, FTA adviser, claims that one of the advantages of our unique split-sessions was the opportunity for more members to be on call for student teaching.

A tea was held at the February evening meeting. This tea took the place of the Tureen Banquet of previous years.

Officers of the 1961-62 season included: Suzi Detlefsen, President; Linda Haas, Vice-President; Diane Hillhouse, Secretary; Jeret Kern, Treasurer; and Carol Allan, Historian.

FHA Prepares for Homemaking

Future Homemakers of America, a National organization of girls and boys studying homemaking in high school, provided opportunities for Belleveu students to have additional experiences in planning and carrying out activities related to homemaking. Some of the activities for this year were entertaining the Monroeville Chapter at a swim party, the Spring style show, and a trip to Sandusky for an electronic oven demonstration. The FHA is responsible for the Christmas Formal once every two years.

Delegates to the State convention were Mary Jean Sidoti and Marion Miller.

Advised by Mrs. Pauline Shaffer, the club has as its emblem a house supported by two hands, suggesting that the future of American homes are in the hands of its youth. Its motto is "Toward New Horizons."

GAA Interests Many Girls

Senior GAA members checks schedules of games posted in the girls' locker room.

GAA stands for the Girl's Athletic Association. To become a member of this organization a girl must earn at least 80 points in the intramural program. After attaining membership, a girl works for either 250 points or 400 points. These points entitle her to an emblem and activity pin respectively. At the conclusion of the year, the graduating senior with the greatest number of points receives the GAA award.

In the fall, the Bellevue GAA hosted several area schools at a volleyball playday. In return the GAA was guest at other playdays.

This year the intramural program, unlike that of previous years, was held at 9:00 A. M. for the freshmen girls and 2:20 P.M. for the upperclassmen. This scheduling was due to the staggered sessions.

The club is under the guidance of Mrs. Genevieve Pendleton.

Intramurals - Lifesaving Interest Many

Interested student may participate in the lifesaving class conducted at BHS. This program is offered under the auspices of the American Red Cross and is taught by Mrs. Genevieve Pendleton. Upon satisfactory completion of the three-month course and the final examinations, a student is awarded a certificate and badge as proof of his ability.

The girls intramural program provided a variety of sports in spite of the restrictions imposed by split sessions. Two leagues were formed for this school year. League one consisted of the freshmen and league two, the sophomores, juniors, and seniors. Sports played were volleyball, softball, singles and doubles ping-pong, paddle badminton, singles and doubles badminton, and basketball.

Because of split sessions and lack of teacher time, boys intramurals were limited to a baseball tournament in May.

It's batter up in the final game of the boys' baseball tournament. The juniors defeated the sophomores for the school championship.

Club Active in Library

During the 1961-62 school year, the five members of the Library Club had various duties; keeping an orderly magazine file, typing, desk work, and keeping the bulletin board neat.

The group, led by President Susan Barman, met every Tuesday night to discuss the role the library plays in the student's life and how to make it more vital, what needs to be changed in the library, and how the club can be of a greater help to the school.

Each year during Book Week, the members hold the annual tea for the faculty.

Hi-Y Serves Community

"To create, maintain, and extend throughout the home, school, and community high standards of Christian character," is the goal of the 40 members of Hi-Y.

Every Monday night the Hi-Y club meets to enjoy an interesting program. Various programs included a college football game, a trip to the planetarium at Tiffin, a "powder-puff" basketball game with Y-Teens, and speeches on many different subjects. Several boys attended a pre-legislative assembly at Heidelberg in February. Randy Grubb and Roger Zimmerman participated in Youth in Government held at Columbus.

As in the past, the Hi-Y sponsored the dances following the home football games, and sold peanut brittle at Christmas time. The money from these and many other projects helps the Hi-Y to make contributions to charity.

Mr. Wolfe and Mr. Stonestreet, the advisers, worked along with President, Randy Grubb; Vice-President, Roger Zimmerman; Secretary, John Meyers; and Treasurer, Louis Hartley; to help make this year a success.

Math Club Promote Better Mathematics

Because enough students showed an interest in furthering their mathematical standing, again this year a Math Club was formed. Led by President John Meyers and Secretary-Treasurer Judy Strommer, the group met every other Tuesday under the direction of Miss Erma Buffington and Mr. Vilas Deane. In addition to the club playing mathematical card games and studying areas of thought in math in preparation for various examinations, they visited the radar tracking station in Oberlin, the planetarium at Heidelberg, and the IBM machines at Ohio Northern Telephone Company.

Y-Teens Aid School

Y-Teens is a Christian organization dedicated to the coun[illegible]nd community. Soliciting for the Heart Fund, [illegible]cting food for needy families in a "Friendly Beggars Night" and making valentine place favors for the hospital and rest homes were their charitable projects for this year. Serving the school, Y-Teens themed the Christmas formal as "Christmas in Heaven". Also many Y-Teen members decorated for the Homecoming dance.

Y-Teen programs included a book review by Mrs. John Jones and a discussion of mother-daughter relationships with a panel of four Y-Teen mothers. Y-Teens and Hi-Y held joint meetings at which they enjoyed a space travel movie and participated in a "basketbrawl". Unfortunately, once again, Y-Teens was forced to accept a resounding defeat at the hands of their better-skilled opponents. Y-Teen mothers were guests at the annual spring Mother-Daughter Banquet.

Administration

The officials of our school are Mr. E. S. Glasgo, Mr. Robert D. Regula, Mr. William Clark, and Mr. Dewayne Burke. As administrative heads, they attend many meetings and conferences which enable them to more efficiently direct, maintain, and improve our system. This year our administration was successful in getting the school bond issue passed and contracting the builders for the planned high school.

Mr. Glasgo has been in the Bellevue school system for sixteen years. Previous to his appointment as superintendent he was principal of the high school. Mr. Glasgo received his Bachelor of Science degree from Denison University and his Master of Arts degree from Ohio State University.

Mr. Regula, principal of Bellevue High School, attended Ohio University where he received his Bachelor of Science and his Master of Education. Mr. Regula has served Bellevue High for three years.

Also a member of our school system for three years, Assistant Principal Clark received his Bachelor of Science and Master of Education from Ohio University. Assistant Principal Burke, serving our school for twenty-five years, received his Bachelor of Science from Bowling Green University and his Master of Arts from Ohio State University. Mr. Burke also teaches American history to the eighth grade.

Mr. Charles Nottke and Mrs. Harold Todd, newly elected members of the Board of Education for 1962, were present at the Charter House dinner.

Board of Education

Bellevue Board of Education is a group of five men and a clerk who are dedicated to the ideals of having the best schools possible for our community. The members, President Allen Kistler, Vice-president Richard Raish, Mr. Harold Todd, Mr. Charles Nottke, and Dr. F. D. Crosby, Clerk Alma Reitz and Superintendent E. S. Glasgo meet monthly with many committee and executive sessions between their regular meetings.

The board is divided into the following committees: finance, teachers, buildings and grounds, and janitors and supplies. With the passage of the new high school bond issue this fall, the board has spent much time making preparations for the new building. The Board of Education spends long and tedious hours determining the policies to bring about the fulfillment of a good educational system in Bellevue.

Janitors and Secretaries

Office secretaries at BHS include Mrs. Virginia Frankenfield and Mrs. Dawley Brown in the superintendent's office and Mrs. Lowell Rossman and Miss Jackie Collins in the principal's office. Mrs. Frankenfield, in her seventh year at BHS, does the bookkeeping for the entire school system as a part of her regular duties. Mrs. Brown, a member of the secretarial staff for five years, is the chief purchasing agent for the school system.

Mrs. Rossman and Miss Collins, serving their first year at BHS, handle the secretarial work for the principal, assistant principals, and guidance counselor. In this capacity they work on registrations, collegiate correspondence, attendance, and student insurance.

Head custodian Mr. Ralph Widmer, with Mr. Harold Shelley, Mr. Emil Christensen, Mr. Dick Linder, and Mr. Ray Reitz are responsible for cleaning the buildings and maintaining the grounds. In addition to these jobs, at least one custodian must be in the building whenever an extra-curricular activity takes place in the school. They are ready to assist in stage work, kitchen preparations or classroom use, at all times.

Guidance counselor, Mr. Merrill Downing, has had a great influence on many students. His office is open for conferences, college information, and test results.

Mrs. G. Viola McCombs, school librarian, cares for the high school library. She was assisted by Ted Winters during the first semester. This year all students could use the library at almost any time during the day.

The speech therapist works with students who have some type of speech defect. Mrs. Shelley Ketchum is Bellevue's speech therapist. This year she met with various students during regularly scheduled lesson periods.

Assisted by Mr. Roland Morris, driving instructor, driver education classes study and practice the rules for safe driving.

Creative students have the opportunity to express themselves in Mr. David Deerwester's art classes. Mr. Deerwester also helps the various dance decoration committees.

Business Education

Business Education prepares students intending to make some form of business their career. Typing I and II instructs the student in the fundamentals and skills of correct manipulation of the typewriter. Offered to juniors and seniors is Stenography I and II. This is the of writing with the use of shorthand characters. Miss Annetta Henman and Mr. Richard Lieb teach these classes.

Bookkeeping students are taught the art of keeping finances in order by Mr. Lieb and Mr. Lowell Rossman. Seniors who are planning to enter the professional world after graduation may put their learning into practice in office practice. Mr. Lieb supervises the work. BHS offers a course in business law for commercial majors since law plays an important part in business. Mr. Rossman instructs this class.

Mr. Rossman also teaches business arithmetic, business English, and general business.

English and Languages

Because we must learn to communicate in both oral and written forms, the study of English is of prime importance to every student.

Students enrolled in English 9 learn to organize their writing and oral work, and also have many minor research projects to complete the literature course. The skills of oral and written English are especially stressed.

The sophomores learn to appreciate English literature. In grammar the emphasis is on the construction of more mature sentences and a larger vocabulary.

English 11 allows the student to more fully appreciate good literature and the American heritage.

English 12 prepare students for satisfactory college work in grammar, composition, and literature. This is an accelerated course for students wanting to continue their study of the English language.

Speech students learn to develop good diction, express themselves intelligently, and be at ease in front of an audience.

The student taking journalism has as his goal to learn to write more concisely in practical writing.

Math and Manual Arts

BHS math courses are a challenge to any student. The courses offered are required, elective, and remedial.

Enrollment in senior math is determined by standardized test results.

General mathematics is a review of the fundamentals and fractions, and an introduction to graphs. This study will help insure mathematical competence for the ordinary affairs of life.

Students in Algebra I or II must work daily to keep up with the class. By using roots, exponents, quadratic equations, and radicals, the students understand the processes used rather than a set of memorized rules.

After attacking angles, triangles, and pyramids with protractors, rulers, and compasses, the student enrolled in plane geometry is able to develop an awareness of the logic of geometry and to correlate this with reasoning in nonmathematical terms.

Solid geometry and trigonometry, subjects which require even more ability, desire, and work, provide a foundation for more advanced mathematics.

Industrial education is an important department in any well-rounded high school. A student enrolled in industrial arts at BHS experiences phases of both woodshop and metal shop during his first two years. After this he may choose to take an advanced course to gain a more complete knowledge of these fields. Mechanical drawing is another field that is covered, with two courses being offered. After completing these four years of study, the student is able to look for his future job with much more understanding, experience, and skill.

Music and Science

The music department provides the opportunity for interested students to further their musical study. This is accomplished by the enrichment of music appreciation and actual experience as a member of a performing group. Miss Louella Wolford, orchestra director, also leads various ensembles. Mr. James Gribble, in addition to leading the Senior High choirs, teaches Junior High music and serves as a football coach. Directing the marching, symphonic, cadet and pep bands is Mr. Robert Leckrone. During the year the music department participated in combined concerts and in the N. O. L. Festival. The orchestra and band also presented all-city festivals.

Excellence in the science department is measured by a student's ability to apply learned principles in interpreting and successfully solving scientific problems. Science courses at BHS begin in the Junior High with Mr. Robert Blomeke and Mr. Craig Tetirick teaching seventh and eighth grade science respectively. General Science, required for freshmen, is taught by Mr. Blomeke and Mr. Lee Huffman. Mr. Blomeke and Mr. Huffman also serve as coaches in football, basketball, and track.

Biology is taught to sophomores by Mr. Burnell Hoffman and Mr. Lowell Shaffer, both varsity coaches. The science offered the junior year is chemistry, taught by Mr. Wolfe. The seniors complete their science education by taking physical science, taught by Mr. Huffman, or physics which is taught by Mr. Wolfe.

Phys. Ed. and Social Sciences

The aim of the physical education department is the development of sportsmanship and physical fitness. Classes for every student are held in swimming, indoor or outdoor gym, and health education. In addition, girls may participate in intramurals held during the third and tenth periods. During the second semester, lifesaving may be taken.

High school instructors in this department are Mrs. Genevieve Pendleton and Mr. Charles Hickman. Mrs. Pendleton is also the Pep Club adviser and teaches lifesaving. Mr. Hickman serves as the head varsity basketball coach, and varsity football coach. Teaching the Junior High classes in physical education are Mrs. Nell Joseph and Mr. John Casey.

Junior High students receive instruction in world geography, American history, and Ohio history. Mr. Louis Garman, Mr. Casey, and Assistant Principal Dewayne Burke share the responsibilities in teaching these classes. These courses are designed to increase the general knowledge of these students before they embark upon the high school social studies program.

Psychology provides a survey of the various fields, and histories of psychological development from its origin to the present. The study of human relations and mental deficiencies comprise the main topics of psychology, taught by Mr. David Cress.

Also taught by Mr. Cress and Mr. Donald Stonestreet is world history, a course which gives a fuller concept of mankind. World history stresses the study of ancient Greece and Rome, advances in European civilization and present international relations.

American history, taught by Mr. Joseph Ayers, is primarily concerned with teaching the history of the development of the United States.

The study of American government and economics not only helps the student learn the responsibilities of young Americans, but analyzes some of the problems facing the world. Income, government finances, and labor and management are included in Mr. Stonestreet's discussions.

Seventh Grade Makes Drastic Change

Although unable to have a football team due to the split sessions, the seventh grade supported a basketball and track team. The students also participated in other activities such as the Junior High Music Festival, a class party and the magazine campaign.
